LOCSU

We would like to invite you to come the launch of The Easy Care Eye Care Pathway for Lancashire and South Cumbria .

to

Monday 20th June from 9.30am to 10.45am

The launch will be online using Zoom.

A pathway is a word to describe what needs to happen for people to get the support they need.

The Easy Eye Care pathway is about what needs to happen for people to get good eye care. It will make it easier for people to have a sight and eye health test.

We are also celebrating that this now means the service covers the whole of the North West Region so we welcome anyone from across the North West.

Who should attend?

This session is for you if you are:

- A person with a learning disability and or autism living in the North West.
- Family carer
- Provider of support,
- An Advocacy group
- Health Worker
- Eye Care Professional

Find Out:

- Why the Easy Eye Care Pathway is so important
- How it Works
- What to expect from your Optician
- Where to get information
- How we can all promote it

A hand holding a black pen is filling out a yellow registration form. The form has fields for Name, Address, and Phone Number. The text "Name R. Smith", "Address 224 West St", and "Manchester" is visible. The word "Manchester" is partially obscured by the hand and pen.

If you would like to attend, please fill in this short form (click on the link below) and we will send you the zoom link to join.
